Parents and students will need to sign and return this form.

I understand that it is the expectation of the International Baccalaureate Organization that all work presented is students' own work. No plagiarism, collusion, misrepresentation of work or falsification of information is permitted.

On my honor, I promise that I will not cheat on any assignment or examination, nor will I pass on such information to others. Furthermore, I will not falsify information nor give other students access to my work.

I understand that it is the policy of our school that any student guilty of presenting another student's work as his or her own, plagiarism, cheating in any manner on class work or tests, permitting another student to copy his or her work, or falsifying information will be brought before the school administration with the evidence. Infractions of the honor policy will adversely affect a student's grade by awarding "zero" credit for the dishonest or inappropriately shared work in addition to marking the K.I.T. card. Furthermore, the first offense will result in a warning and a phone call to parents, and the second offense will result in an office referral.
